Mr. A. Purkess

Principal's Message

"Pictures are worth a thousand words" is the old saying. Indeed, many thoughts occur to me as I look at the pictures of the students appearing in our Yearbook. You, too, will have memories of your friends and acquaintances from 1982-1983 as you thumb through the pages. Who can forget those unusual "happenings" that occurred to everyone at least once? The books that fell on the floor and the sheets that were scattered all over the place, or the superb play in volleyball, will be part of the memories gained from your yearbook.

As you remember the past year, try to add the number of extra hours spent by students and staff to add those extra opportunities offered to all. Many thanks to those students and staff members who provided the "extras" that helped to heighten interest and enjoyment at Lawton. Finally, thanks to the staff and students of the Yearbook for the opportunity to "see the past".

Mr. K. Brice

Vice Principal's Message

I would like to take this opportunity to congratulate the students and staff whose efforts will be remembered whenever you look back on this yearbook.

To the graduates of 1983 I wish you all the success in the future and hope that your time spent at Lawton has provided a sound base for your future endeavors. Remember that success lies not in being the best, but in doing your best.

To the students who will be remaining at Lawton I hope that you too will strive for success, be the best that you can. Remember the memories that last longest will be of those activities in which you were directly involved. Get involved, lets make Lawton the most active, alive school in the future.

COMPUTERS

Our school now has five Apple computers and we hope to purchase some more next year. Each one has a retail cost of between \$2,000.00 to \$2,500.00. We have three April II E's and two Apple II+'s.

Fifteen to twenty students work regularly (on their own time) learning basic programming. Several have become quite proficient at programming in the last few months.

The Computer Room was open almost every day from 8:25 to 8:45 a.m., at lunch, and from 3:15 to 4:30 p.m. under the supervision of Mr. Jones, Mr. Pelech and Mr. Wengreniuk.

BEING

LATE

IN MEMORIAM

"We never lose the ones we love

Even though they are gone.

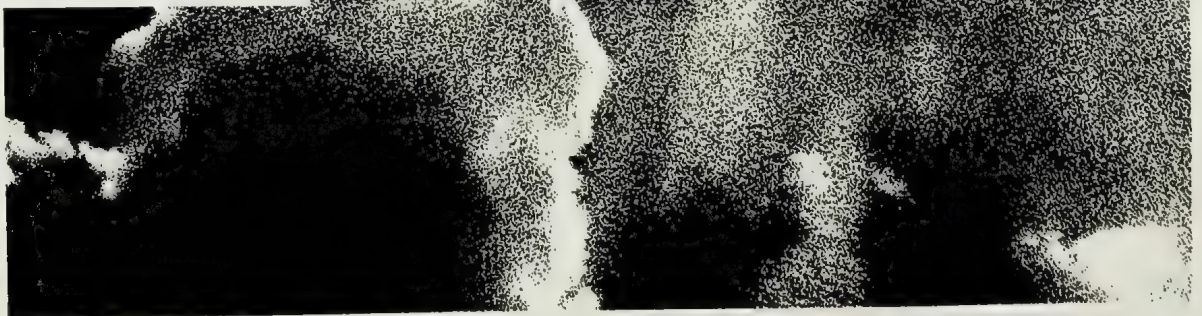

Within the hearts of those who care,

Lawton was saddened by the sudden and unexpected passing of Robert Henry on May 21, 1983.

Robert was a student popular among his classmates and teachers. He will be remembered as an eager, willing participant - not only in school, but in his personal life and ambitions.

Their memory lingers on."

YEARBOOK MESSAGE

A yearbook holds many memories and captures special moments. By flipping through the pages of our yearbook we can recapture these memories. The Lawton Lite is a success through the co-operative effort of both staff and students. The staff contributed time and expertise in many areas. Thanks go to Mrs. Mayes who handled the finances, Mrs. Stipdonk who photographed all the special events and assisted in the organizational area along with Mrs. Lewyk and Mrs. Yackulic. Many students also deserve special mention - Rob Degenhardt, who printed the artistic titles, Elizabeth Simon who assisted with the photography, and the Yearbook Club members who planned the layout of the pages.

We are proud that we have been involved in supervising the Lawton Lite of 1983. We know that this edition will indeed be the source of many happy memories for all of you.

NEWSPAPER

We had a considerable number of students involved in the newspaper club this year. Each grade level was responsible for at least one edition. The October and December issues were edited by the grade nines with Maureen Rietveld as editor and Bobbi Windsor as co-editor.

We undertook an experiment with a hall bulletin newspaper for the months of January and February under the leadership of the grade eights - Dwayne Krawchuk as editor and Karen MacDonald as co-editor.

For our special Education Week edition the grade sevens became the organizers with Theresa Tsoukalas as editor and Jody Yakemchuk as assistant editor.

FEELINGS

The feel of the raindrops
 against my face ;
 The feel of snowflakes
 That look like lace;
 The feeling of beauty
 like dewdrops on a flower;
 The feeling of strength
 and the feeling of power;
 The feeling of pleasure
 like a puppy's wet kiss;
 The feeling of woe
 For the grandparents we miss.

Happy, sad,
 Angry, glad.

- Colleen Andriats.

GIFTED WRITERS

The Edmonton Public School Board sponsored workshop sessions in creative writing this year at Lawton, because the response was so positive from our students. Sessions were scheduled for one Thursday per month from 3:15 p.m. to 4:30 p.m. Mr. Denis Searle spoke to this group of twenty students who eagerly wrote both prose and poetry. A literary booklet was published which included all their creations.

SILENCE

There is no silence --
Stillness --
A teardrop in the eye.

It is a small boy,
Crying for a friend,
Wanting a friend,
To hold his small, pale hand.

But no one comes.
He is left all alone .
Alone and crying,
For a friend.
Waiting ...

- Bobbi Windsor

THE BALLAD OF THE BLIND

I am a secret dreamer.
I dream throughout the day.
I dream of golden retrievers,
That light me up in ways.

For you see I am blind.
With that I cannot see,
But my fault's not in my heart,
As surely you will see.

I am so very gentle,
But the people -- they don't care.
They think that I am mental.
I can feel the people stare.

- April Ingham

Valedictory Address

Mr. Purkess, Mr. Brice, teachers, parents, honored guests and fellow graduates.

As our last few hours of junior high draw near, we the students find this to be a time of remembrance, anticipation, apprehension and excitement.

We recall our initiation into Lawton as days when we were short and small and scared. We soon became settled into our new environment and grew in our academic capabilities and social and personal relationships.

Many of the challenges we faced throughout our years at Lawton can now be used as stepping stones to the future. We are a little wiser and more sophisticated as a result of our past experiences gained here.

The students and I would like to express our gratitude to our teachers, who have helped us over the past few years. Through their teaching, guidance and instruction we progressed in our academic studies and grew in our ability to meet the responsibilities of life. Our sincere thanks to our teachers for their dedication.

On behalf of all the students, I would like to thank some other very important people - our parents. We are grateful for their sacrifice, their patience and their encouragement in urging us to maintain the desire for knowledge. Moms and Dads, we thank you.

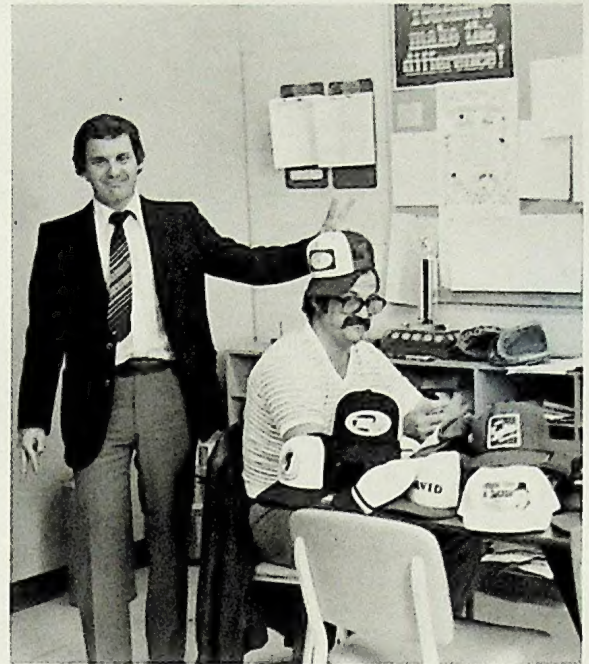

As president of the Students' Union, I would like to express my appreciation to the students for their support, their ideas, and their work in preparing for this event. All your efforts have contributed to the memory of this day. Thank you fellow students.

Many of our important needs have been met here at Lawton. We leave to continue our education in high school, happy now to have attained our goal of graduating.

In closing, I wish the school, the students and the teachers success in the years to come. Teachers, may you continue to turn out classes of students as great as this one.

We have all worked for three great years of growing and learning. Lawton, we thank you.

- Veronica Sanders.
